Dear Parents and Carers

COVID-19 Contact Tracing If your child develops COVID-19 symptoms over the next 48 hours, then please inform us by sending an email to the address above. If a child tests positive having developed symptoms in the 48 hours after the end of term, we will then need to assist with contact tracing.

Diary Dates We remain hopeful that restrictions for schools will ease enough to allow us to have a final half term packed with as many of the usual summer events as we can. Dates for your diaries will follow as soon as possible.

Half term homework The children have worked incredibly hard over the past six weeks – they deserve a good break and plenty of time enjoying the outdoors. Please continue to read with (or to) your children, enjoying a book together for fifteen minutes or so a day makes a huge difference. Optional extras: keeping a holiday diary is a good way of encouraging some writing every day; practical activities (cooking, baking, shopping etc.) are a good way of including maths in everyday life at home.

INSET Days Monday 7 and Tuesday 8 June are INSET days. **Next term will begin on Wednesday 9 June.**

Wishing you all a very happy half term.

Mr. J. Veness
