Newsletter 26

Dear parents and carers

It is with great excitement and pleasure, that I write my first Hendreds' newsletter. I want to thank the children, staff, governors and parents for making me so welcome this week. I have been blown away by how open and accommodating everyone has been to me, particularly the staff. I am sure that you already know this, but I want to reiterate that your children are very fortunate to have such a committed staff body.

I am starting to get to know the children, particularly through our daily collective worships. Each week I will share what the theme of our worship was as I realise that children do not always share such details from school at home.

Collective worship theme	Link to bible	Link to school value
Change	Jonah	Courage

It was such a great outing walking down to Eyston House for 'penny and a bun' this week. As you may know this is a village tradition that has taken place for many, many years and the children were thrilled to be able to do it again after Covid had stopped this.

Please feel free to introduce yourself when you see me outside, before or after school. If possible, I will be outside at these times and am keen to get to know you as quickly as I can so that I can continue the strong home school partnership.

Regards,

Lisa Rees
