Dear parents/carers,

We currently have capacity to extend the current school music provision to also include individual/small group keyboard lessons. There is a cost to this as this is in addition to the school music provision for our Year 3 children.

If you are interested in your child being considered for these lessons, please add your details to the link below. This gives OCC Music Service an indication of demand and how to best group the children.

If your child doesn't have an instrument, you can hire one in most cases.

If the school receives pupil premium funding for your child, then it may be possible for school to fund these music lessons. So, please still complete the online form but also inform the school office.

Regards,
Lisa Rees
