Dear Parents and Carers

Wow Moments

In order to support the ongoing assessment process of your child, all children in Reception will be coming home today with 'WOW Moments'. We hope that through using WOW moments, we will get a fuller picture of what your child is able to do when assessing them against the Early Learning Goals as they approach the end of Reception. We will celebrate these moments by talking about them at circle time. There will be extra sheets of WOW Moments for you to collect from myself if you run out.

Due to the nature of WOW moments, we would not expect them to come into school on a daily or even weekly basis. You are also more than welcome to send a photo with the WOW moment. WOW moments can be something your child does for the first time, skills they acquire, observations they make about the world around them and many other things. Examples of WOW moments are included below to give you some ideas although this list is not exhaustive.

- **Tilly rode her bike around the garden for the first time without using stabilisers.**
- **That's the sound 't' said Simon when he was shopping in Tesco.**
- **Sarah pointed to a traffic sign and said 'Look that's a circle.'**
- **Matthew looked at a sign and said, 'that says no dogs.'**
- **Ellen tied her own shoes today.**
- **At a party, Lucy spotted Max sitting by himself. She asked if he would like to sit with her so he wasn't lonely.**

- **When James was asked what half of ten was, he said five.**
- **Jacob dressed himself and managed all his buttons without help.**
- **Sam made a model of a rocket using kitchen roll tubes.**
- **Lucy was able to finish all the sentences with rhyming words in her bedtime story.**
- **David cut up his food using a knife and fork properly.**

If you have any questions regarding WOW moments, please contact the school office or speak with me directly.

Best Wishes

Mrs May
