Dear Year 6 Parents and carers,

SATs

This is an important year for your child as they prepare to move on to secondary school. Part of this preparation includes National Curriculum Tests (SATs) which will help to assess their knowledge and learning so far.

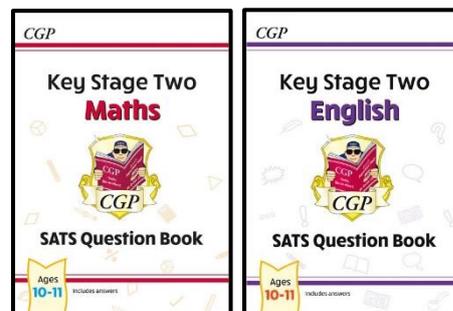

These tests will take place over 4 mornings between Tuesday 9th May 2023 and Friday 12th May 2023. Please ensure that family holidays are not taken during this time.

We would like to invite you and your child to attend a short information meeting which will help to explain these tests in more detail. The meeting will be held on **Monday 6th February at 3:30pm** in class 5. We understand that this time may be difficult for some of you so we will distribute the presentation following the meeting. We encourage the children to attend so this is why it is just after school.

There are a number of books that you may consider purchasing for your child to support their learning, which we can purchase on your behalf at a considerable discount. If you would like to purchase these, you need to pay for these on [SCOPAY](#) (Products: CGP Question Books) by midday on Wednesday, 8th February 2023.

The options are:

- CGP KS2 Maths SATS Question book £2.75 (RRP £6.50)

We will give you more information on the 6th February as to how we can work together to support your child.

Regards,

Mrs Lisa Rees
