15 November 2023

Dear Parents and Carers

Key Stage 2 Homework Project - Term 2 Autumn 2023

Thank you to all parents who responded to our recent survey about termly cross-curricular homework projects. We have also consulted the pupils and we are pleased to share that the majority of the children and adults would like to continue with these projects.

This term, the homework task will be shared with pupils on **Thursday 30th November**. Children have two weeks to complete their project and homework should be brought back into school on **Thursday 14th December**. Work will then be shared and celebrated across the whole Key Stage on Friday 15th December.

Parent Workshop

We would like to invite you to a homework project workshop on Thursday 30th November. This will take place after school from 3.40pm in Class 4. Teachers will be available to sit with you and your child/children and explore how to approach a homework project. This could include:

- How to brainstorm and select project ideas
- Where to get information
- Strategies for structuring the project
- How to encourage and support a child as they work
- Standards and expectations for the finished piece

This is an informal workshop where staff can work alongside you and your child to answer any questions you may have and help you get going!

Best wishes

Karen Jones

Mrs Jones
